“But as for you, continue in what you have learned and have become convinced of, because you know those from whom you learned it” - 2 Tim. 3:14

Dearly beloved in Christ,

Wish you all a very happy, blessed and prosperous new year. This is a time where all of us will look up to the Lord with prayer and for blessings. All of us take time to express our gratitude to God for leading us in our past life, particularly in the year 2018. As we have stepped into the New Year 2019, we rejoice in the Lord and commit ourselves to live all the more for God's glory. There are lots of questions people raise on the level of religion, economy, politics, nature and the like. We all hope in the Lord that the New Year will be better than the last year. It is a call to make our present life, relevant and meaningful in the sight of God and also in our relationship with other people. The present will be more meaningful when we have the bright vision of the future in all the activities that we have. When we realize that our Almighty God remains as Lord and Master, we live with Him and for Him through the building up of the Church and spending our life for the furtherance of His Kingdom. Let me bring to our mind to study the scripture as the inspired word of God which instructs, corrects and encourages us to live as Gods children. Also let us strengthen our prayer life where we discern the will of God and commit our life to live accordingly.

Thank you for giving me the opportunity to greet all the members through this Newsletter. May the Lord's blessings be with us all.

Yours in Christ's Ministry
